

## WHY CUSTOMIZE WITH US

Partnering with us means you get a fully tailored experience, without the heavy lifting. We handle every detail, from planning to execution, so you can focus on the impact.

- Seamless Promotion: We manage all outreach and emails on your behalf.
- Co-Branded Experience: Your organization's identity shines alongside ours.
- Culturally Relevant Content: We thoughtfully integrate your cultural values and context.
- Tailored Learning: Our faculty work directly with you to customize the curriculum.
- Full-Service Delivery: From logistics to follow-through, we take care of it all.

With us, you get a program designed for your people, your culture and your goals, delivered flawlessly from start to finish.

## ABOUT US

The OSU Center for the Future of Work equips people and organizations to thrive in an evolving workplace. Through consulting, training, executive coaching and conferences, we provide the knowledge to empower the workforce and strengthen organizations for long-term growth.

Senior Tribal Programs Manager

Lindsey will work with you to design and customize the perfect program. As a proud member of the Choctaw Nation, Lindsey is passionate about supporting the growth, strength and success of all sovereign nations.

# SIGNATURE OFFERINGS

## Customer Experience Certificate

Deliver consistent, high-quality service at every touchpoint. This customized training equips customer-facing employees with service excellence practices, guest experience strategies, and Tribal-specific knowledge, building stronger interactions that foster loyalty and trust.

## Leadership Essentials for Managerial Effectiveness

Set your new supervisors up for success. Offered as a one or two-day onsite or hybrid program. This course builds essential managerial skills to help leaders motivate teams, navigate challenges, and complement your internal training efforts.

## Communication Certificate for Managers

Empower leaders to communicate with clarity and influence through public speaking, business writing, and adaptive styles. Interactive training, tools, and feedback build confidence, networks, and lasting impact.

## High-Potential Leaders / Emerging Executives Certificate

Prepare your next generation of executives. This leadership program develops critical capabilities such as strategic thinking, accountability, fairness, effective communication, and executive presence. Designed for high-potential leaders ready to transition from managing to leading, it provides practical tools and growth-focused learning to ensure a strong pipeline for future executive roles.

## Leadership Playbook Certificate

Equip your leaders with the playbook they need to succeed. This program covers growth mindset, coaching, mentoring, communication, performance culture, talent selection, and succession planning. Participants leave with practical strategies to strengthen teams, inspire growth, and drive organizational success.

## Project MBA: Business Acumen for Leaders

Build the business and financial acumen your leaders need to make smart, strategic decisions. Facilitated by expert faculty and industry leaders, this intensive program includes four foundational modules plus up to two customizable electives tailored to your organization's priorities. Flexible, rigorous, and highly relevant, Project MBA develops leaders who think like executives.

## Cohort Coaching for Emerging Leaders

Sustainable leadership growth doesn't happen overnight. This six-month cohort program develops emerging leaders through ongoing coaching, peer learning, and real-world application. Participants strengthen core leadership skills while practicing behaviors that create lasting impact for themselves and the organization.
